## **Other Information**

The weather in Mendocino can be foggy and cool in July so come prepared. A list of housing will be provided by the Art Center on request. Limited R.V. parking is available at the Art Center for participants and there are several campgrounds nearby. Competition in the jury process is very competitive and this makes the quality of your images and presentation very important. We also pay attention to the postmark on your application.

Please indicate if you have a preference for space assignments. We will do our best to see that you get the area you request but there is no guarantee you can have a particular space. We will be using a map similar to last summer's. There will be live music in front of the theater.

This will be the Mendocino Art Center's 51st Annual Summer Arts & Crafts Fair! We hope you can join us for this special event!
